1. What subjects do these teenagers like and dislike? Fill in the chart below.

Name	Like	Dislike	Why?
Jasmin			
Michael			
Dirk			
Lugana			
Björn			

2. Which of these teenagers likes the same subjects as you do?
What are these subjects?

3. Several teenagers give reasons why they like certain subjects. With your partner, decide what these reasons are and fill in the column on the chart above.

4. Looking at your list, try to think of reasons why you like the subjects you indicated. What do your opinions have to do with your future career plans?

5. Do you think teenagers in German speaking countries start thinking about their future careers earlier than teenagers in the United States? What can you find in the interviews to support your answer?
