

Name _____

Datum _____

Stunde _____

Mein Stundenplan

Using the idea of a German school schedule, make your ideal schedule. That means whatever you would like whenever. However, you must use the classes in the left column and the classes must meet the number of times that are in parentheses. Then you must choose from the list on the right and use the number of times to meet.

You must fill in at least 34 of the 36 blanks!

_____s Stundenplan

	Montag	Dienstag	Mitwoch	Donnerstag	Freitag	Samstag
